Dear Justin,

I wanted to thank you and all the members of the New Monopoly for making our wedding reception the best it could be. A band can definitely make or break a party. And, no one that I have spoken with since the wedding has failed to tell me how fun the reception was and how especially awesome the band was.

To be honest, having seen only a videotape of the New Monopoly prior to the wedding, the music was the biggest unknown heading into the reception. Well, you all exceeded all of our expectations and blew us away. Within just a few minutes I could tell that it was going to be great. You played such a wide variety of music and did it all so well. We were particularly pleased with "Nobody Does It Better." Thanks so much for taking the time and trouble to learn it for our first dance.

If I had to do it all again, there is no doubt that I would book the New Monopoly again in a heartbeat. I just cannot say enough how pleased we were.

Sincerely,

Amantha
