

I am writing to let you know how pleased I was with the New Monopoly band's performance at our December 4th dance. They were absolutely fabulous throughout the evening and, as I told them in person, ***they could not have done better***. I have had nothing but rave reviews from folks who attended this event and we are contemplating a return engagement in 2005.

I have seen the group a number of times over the last several years but the addition of Doug Lewis and Mary McKenna, along with the fine talented performers who were already there, has moved New Monopoly to the head of the line as far as groups in the Mid-Atlantic Area are concerned. Their show tunes featured take-offs on Willie Nelson, Shania Twain, Elton John, Tina Turner, Janis Joplin, the Big Bopper, and Grease. All were done with costume changes and all hit the mark. The crowd was on their feet and clapping from beginning to end.

The group has also upgraded their lights and sound equipment and added a spot light. The overall effect is a truly professional and versatile group capable of performing at any type and size event. I am certain you will have many opportunities to highlight them in the coming years.

Please thank Doug, Mary, Justin, Scott, Sharon, Patrick, Craig and Chris for an outstanding performance in McSherrystown on 12/4/2004. We look forward to seeing them on New Year's Eve at Michael's 8th Avenue in Glen Burnie.

Sincerely,
