Hi Justin.

I am so sorry it has taken me this long to reach out to you. I wanted to thank you for the awesome performance at our wedding. From the dinner piano music to the reception - you really delivered. I was very disappointed that the heat kept many people from dancing, but since the wedding the number one compliment we hear from guests has been "your band was amazing!" People who just stayed on the terrace outside have repeatedly said how much they enjoyed New Monopoly's style, sound and song selection. I could tell how much you tried to honor my request for 80's and no 70's! You guys rocked.

I also can't begin tell you how much I appreciate your accommodating me on my request to sing. You were so patient and encouraging. I am so glad I did it - you helped us create a lasting memory.

Thanks for everything. I will surely recommend you to everyone and if I ever host another event you are on the top of my list.

Many thanks,  
Stephanie DeLong (Cross)
