Mr.

Baltimore, Maryland 21286

Dear :

We want to thank you and your band, the New Monopoly, for an outstanding performance at the Educate, Inc. company event at Ravens Stadium on July 25.

Our employees enjoyed listening and dancing to the wonderful selection of music the New Monopoly played. They were truly professional. We had many, many compliments on this band. Our Executive Assistant, Pat Garuffi, told us how accommodating this band was with our musical requests and how pleasant it was to work with them in planning this event.

Again, thank you and the New Monopoly for making July 25 a memorable day for Educate, Inc.

Sincerely,

R. Christopher Hoehn-Saric
