The "New Monopoly" played for an event hosted by American Legion Post 276 on May 23, 2004. Over 200 people attended the event and to a person all were extremely pleased with the music and "show" that was presented by Doug and his group. The whole presentation from the opening medley to the final appearance by "Elvis" was just superb. It was so well received by our Legion members that we immediately rescheduled the "New Monopoly" for a repeat performance scheduled for November 6, 2004. This event is sure to be another sell-out.
