Dear _____,

I want to thank you for doing such a great job at Loyola's Alumni Weekend on June 1-3. In particular, I want to thank you for finding us NEW MONOPOLY. We tried a new program at Loyola's Alumni Weekend, and its success depended on a terrific band. NEW MONOPOLY delivered a wonderful performance. Our new program was a hit! Reunion classes from 1961-1996 came to hear the band. NEW MONOPOLY's music appealed to the age range. Everyone was on the dance floor. I heard comments all night from alumni and staff members about how great the band was.

We ended up extending the band's show by a half-hour. Will you please book them again for Saturday June 1, 2002, at 9:30 p.m.?

Thanks again for your help!

Sincerely,
